

NOTICE TO TAXPAYERS
Alto Township
Median Level of Assessment .3333

Your non-farm property is to be assessed at the above listed median level of assessment for the assessment district. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review within 30 days of the date of this publication (on or before November 13, 2009).

NOTICE TO TAXPAYERS
Wyoming Township
Median Level of Assessment .3333

Your non-farm property is to be assessed at the above listed median level of assessment for the assessment district. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review within 30 days of the date of this publication (on or before November 13, 2009).
