

EARLY VOTING

Nancy Nelson, Lee County Clerk and Recorder announces that voters can cast a ballot prior to the April 7, 2009 Election Day without offering a reason or an excuse for wanting to vote early.

For the April Consolidated Election, early voting will begin March 16, 2009 and end April 2, 2009. Early voting will be conducted at the Election Department (temporary polling location, first floor) of the Old Lee County Courthouse, Monday through Friday, 8:30 AM until 4:30 PM.

State law requires that a registered voter show valid photo identification before voting early. Voters casting an early ballot must display a current driver's license, a state-issued ID card or another government-issued ID with a photograph.

The law prohibits a person who voted during the early voting period from voting at the polls on Election Day. The votes cast during the early voting time period will not be counted until Election Day.
