

GRACE PERIOD VOTING

Nancy Nelson, Lee County Clerk and Recorder announces that individuals that have not registered prior to the close of registration (March 10, 2009) and wish to vote in the April 7th Consolidated Election may register to vote and cast a ballot during the Grace Period Voting.

For the April Consolidated Election, grace period voting will begin March 11, 2009 and end March 24, 2009. Grace voting will be conducted at the Election Department (temporary polling location, first floor) of the Old Lee County Courthouse, Monday through Friday, 8:30 AM until 4:30 PM.

Persons registering and voting during grace period voting must be a US citizen, must be 18 years of age by election day, must claim Lee County as their permanent residence and have resided within their precinct 30 days preceding the election; and must display a current driver's license, a state-issued ID card or two other forms of identification verifying their current address within Lee County.

The law prohibits a person who voted during the grace voting period from voting at the polls on Election Day. The votes cast during the grace voting time period will not be counted until Election Day.
